Day 2 - The Must-See of Guangzhou

Our day will begin with a full buffet breakfast at the hotel. After you have had your breakfast, we will take you to the [Baiyun Mountain](#). You will ascend to the top of the mountain with cable cars to get the lovely view of all that is around you from atop. After enjoying the mountain, it is time to head down and make a visit to the [Yuntai Garden](#), a place of exceptional beauty, loved by all its visitors. You can enjoy your time and have a relaxing experience while there. After some time in the garden, it is time for lunch in one of the finest places in the city. The next stop is the [Canton Tower](#), one of the tallest towers in the world. We will spend some time there to enjoy the sophisticated architecture, and its colors and lights. By night time we will take you to a **Pearl River Night Cruise** where we will also have our dinner.

Day 3 - Completing the Tour of Guangzhou - Departing for Shenzhen

We will have breakfast in the morning and head out to our first destination for our third day. We will enjoy more of the beautiful nature of this fine city at [Yuexiu Hill](#), which is one of the most famous and favored sights for tourists. Yuexiu Hill also houses several ancient sites including the Five Rams Sculptures. After that, you will be taken to the Chen Clan Academy also known as the [Chen Clan Ancestral Hall](#), where you will learn more about the history and culture of China, more specifically the Qing Dynasty. This museum is perhaps the best learning experience for the lovers of both culture and architecture. After this, the most important sites are behind us, and we are ready to have lunch. After lunch, we will check-out from the hotel and leave for Shenzhen via bullet train. You will check-in to your new hotel as soon as you arrive so you can rest for the night.

Shenzhen Hotel: [Century Plaza Hotel](#) (4 Star)

Day 4 - See the World in China!

After having a full buffet breakfast at the hotel, you have some time before the tour in the afternoon. You will receive the instructions as to when we set out for the [Window of the World](#). Just make sure not to miss out on this visit! The Window of the World is a theme park that houses the reproduction of about 100 of the most famous iconic monuments and attractions from across the world. To make it even better, you will be taken to see a show at night before heading back to your hotel.

Day 5 - You saw the World, Now See China!

Once you enjoy your buffet breakfast at the hotel, you will now head towards the [Splendid China Folk Village](#). There are two major areas in this theme park; Miniature park and China Folk Culture Village. The park is a smaller version of the entire Chinese landscape, showing all the monuments and historic sites that dot the country's map. They also tell a lot about their culture. There are also plans for lunch today, that will be discussed on the tour and by your guide in full detail. By the end of the day, you can return to the hotel to get some rest and get ready for your next day.

Day 6 - Exploration of Shenzhen

On this day you are free to enjoy your trip as you please. The whole city is rich with culture and history and places to go and discover. We suggest a visit to the **Happy Valley**, which is appropriate for all ages and all tastes. In any case, your guide is ready to answer your questions and make recommendations. Be sure to check the weather and traffic before going out.

Day 7 - Leaving Shenzhen

The plan for our last day together is visiting the **Shenzhen Safari Park** in addition to the **Wild Zoo** Which are only optional and according to your own choice. Be sure to check your flight schedule so your check-out is in time to catch your flight. The easiest way to go to the airport is to ask your hotel to call a taxi for you. We wish you a memorable time in China and hope to see you again. Please tell us how your trip was as soon as you get the chance.

I had heard things about the beauty of china but I didn't think it would impress me after so many traveling experiences. For anyone reading this: bring lots of money as there are many great things you can buy here! Both destinations, Guangzhou and Shenzhen, were beautiful. Night Cruise in Pearl River is something that I won't forget and Window of the World was another highlight for me

Having to travel with a group was a new experience for me but I always prefer to travel with small groups like this tour. The tour guide was great and the attractions were fascinating, but I think the bus could be more comfortable.

If I want to describe the tour, I would say it was really good. The hotel, the tour guide, the food, all were good. However, there were some problems; for example, the bus was not so comfortable, so I would say 4 is a fair rate for this tour.

It was a satisfying vacation because I made lots of friends (both Chinese and the folk traveling with us). The tour was really worth the price

I think I would prefer to be staying in a more traditional Chinese place to make it a complete experience in China. The guide told us lots of things about their culture and folk-lore which was nice.

I really loved the second day, the whole Yuntai Garden and the cruise were really great and special for me and my wife. After this 7-day experience, we are absolutely going to see the rest of China. The tour was excellent, accommodation was great, and the tour guide was lovely!
